

# CHI®

## Retractable Clothing Iron

Powerful Steam

Precise Temperature

- **Introducing CHI® Irons:** The only irons developed using the same titanium-infused ceramic soleplate technology that powers the flagship CHI® G2 Flat Iron for hair. This unique soleplate provides the strength of stainless steel paired with the smooth glide of a nonstick iron. The CHI® Retractable Clothing Iron is scratch resistant, heats quickly and is comprised of over 400 steam holes for superior performance.
- **From Hair to Wear™:** Designed with a sleek look and engineered for high performance, the CHI® line is the perfect balance of style and function. Achieve the same trusted results for your wardrobe as you expect for your hair. Flawlessly styled hair makes your whole appearance fresh and put together. Translate that feeling to your entire outfit for a polished look from head to toe.
- **Modern Style with Premium Materials:** The titanium-infused ceramic soleplate is ultra-strong, abrasion resistant and retains heat longer with non-stick and nonstatic finishes resulting in smooth ironing every time.

### With CHI® Flat Iron Technology

Titanium-Infused Ceramic Soleplate

Over 400 Steam Holes

for Superior Performance

### Details

**CHI® Retractable Clothing Iron (13106)**

**MSRP: \$79.99 Available: Now**

- **Retractable Iron Features:** In addition to the CHI® soleplate technology, the CHI® Retractable Clothing Iron is equipped with a sleek handle including textured comfort grips, an easy to reach adjustable temperature lever and matte chrome accents. An eight-foot retractable cord makes storage simple and an easy to access waterfill keeps ironing efficient and mess free.
