

CHI®

Handheld Steamer

From Hair to Wear™
De-Wrinkle on the go

- **Portable Steaming:** Need a faster, more convenient way to freshen up your wardrobe? Meet the CHI® Handheld Steamer. This steamer can be easily stowed away in your briefcase or purse to combat wrinkles on the go. For further portability, it comes with an included travel case.
- **Fast Results:** Maintain a polished look from head to toe - the Handheld Steamer will speed up your morning routine; begin steaming in less than one minute. The handy internal water tank offers up to 5 minutes of continuous steam when full.
- **CHI® Steam:** The CHI® Handheld Steamer is part of the CHI® Garment Care line, achieving the same trusted results for your wardrobe as you expect for your hair. Designed with a sleek look and engineered for high performance, the CHI® line is the perfect balance of style and function. Translate the look of flawlessly styled hair to a fresh and put together wardrobe.
- **Small but Mighty:** The compact design of the CHI Handheld Steamer allows for effortless on-the-go steaming so you can walk out the door sporting a professionally finished look. Its unique, slim form makes this the perfect steamer for quick outfit touch ups on busy mornings.

Details

CHI® Handheld Steamer (11580)
MSRP: \$49 Available: February 2020

- **Steam in Any Direction:** This steamer is versatile and lightweight, capable of steaming in any direction. It is easily maneuvered to steam even the hardest to reach wrinkles, leaving your clothes smooth and ready to wear.
